MARK EDUARDO HIDEO CHENCHIN

[mark@mec.studio](mailto:mark@mec.studio)

Originating from Hawaii, founding Principal Mark Chenchin has over 2.5 decades of practicing experience in the US and Asia, 12 years at Internationally renowned SCDA Architects, as an Associate Director leading projects around the globe, and a decade in San Francisco, obtaining his CA Architect License and LEED Certification while practicing at LMSA (AIA National 2017 Architecture Firm of the Year), TB&P, and Group 4.

With extensive experience in Residential, Office & Mixed Use, Hospitality, Planning, Civic, and Commercial typologies, his range spans from early Conceptual Design through Construction, including Sustainable Design.

MEC Studio was conceived and created in 2022, a process-based approach to Design, working closely with Clients, to create and grow visions from a sketch through the finely-crafted details.
